REQUEST FOR EXTENSION OF
RELIEF FROM THE CASE
MANAGEMENT SCHEDULING
CONFERENCE ORDER**

1 Pursuant to the Court's order dated September 28, 2010 (Dkt. No. 172),
2 defendants Emerging Markets Communications, Inc., EMC Satcom Technologies,
3 Inc. (collectively "EMC"), plaintiff and counter-defendant, Applied Signal
4 Technology, Inc. ("AST"), and third-party defendant Comtech EF Data Corp.
5 ("Comtech"), submit this joint status report on the progress of settlement.

6 As previously reported to the Court, AST, Comtech, and EMC agreed at the
7 settlement conference before Magistrate Judge Zimmerman to settle their dispute.
8 The parties have exchanged written draft settlement license proposals and are in
9 general agreement on most license terms, though certain terms are still subject to
ongoing negotiation.

10 On September 22, 2010, the parties filed a Joint Status Report requesting
11 additional time to finalize their settlement to October 25, 2010. The Court granted
12 that extension on September 28. Since the last Joint Status Report, the parties have
13 continued to work diligently to finalize their license agreement, including through
14 exchange of additional draft settlement terms and conversations between the
15 parties' counsel, which has further narrowed the remaining issues. However, due
16 to a number of factors, including the many unusual and customized provisions
17 being negotiated, the parties continue to work diligently to finalize their agreement.
18 As such, the parties respectfully and jointly stipulate and request that the Court
19 extend its September 28, 2010 order granting relief from the Case Management
20 Order for a period of twenty eight (28) days from the existing date of October 25,
21 2010 to Monday, November 22, 2010. The parties will continue to work diligently
22 during this time to finalize their settlement license agreement, which the parties
23 continue to expect will result in the dismissal of the EMC entities from this
24 litigation.
